High-Definition Photo Papers

CLiQ

Capture your vision with breathtaking definition and vibrancy

CLiQ Premium Photo Papers perfectly complement today's high-resolution inkjet printers, delivering deep blacks, richly vibrant colours, and astonishing detail. These resin-coated (microporous ink-receptive layer) photo papers are ideal for heavy ink coverage with an excellent tonal range and instant drying times. CLiQ Photo Papers are compatible with all inkjet printers, aqueous inks, and dye and pigment inks.
