

SolviT Stayflat Banner

A Strong, Non-Curling, Pure Polyester Banner

SolviT Stayflat Banner

An excellent medium-term signage solution for indoor and outdoors

SolviT Stayflat Banner is a pure polyester banner with an ultra-smooth, flat surface. A high whiteness point enables a wide colour gamut and deep, rich colour. The high image definition and line clarity provide a better resolution and sharpness of images. SolviT Stayflat Banner is an excellent solution for many medium-term indoor and outdoor banner applications.
